

July 2003 Newsletter

We are proud to present the first monthly Off Road Only Newsletter. The goal of this newsletter is to keep existing and future customers up to date on products, services, and developments.

Please take a minute to look over the newsletter and feel free to give us any feedback so we know what you'd like to see in future issues.

AiROCK™ Warranty Update

AiROCK™ suspensions that have been sold to date included a 90 day warranty on all components and a 1 year warranty on the air springs.

We are extending the 90 day warranty to a 6 month warranty, which is our new standard policy. In addition, we will soon offer extended warranty plans. Please contact us for more information on them.

Don't forget to visit our web site and online store!

We truly appreciate our loyal customers so we now offer 5% off on all of our products to all of our repeat buyers!*

*Not valid with other discounts

We will soon be taking pre-orders so people can reserve a set and we will offer a discount on the pre-orders.

We will be adding a complete application chart with sizing, pricing, etc. to the web site soon and will continue to update availability information.

RockLOX™ Update

We've been receiving tons of calls and e-mails about our upcoming RockLOX™ wheels. They are taking longer than anticipated to build, and we hope to start shipping them this fall pending our final approval.

RockLOX™ will be offered for all major bolt patterns including Chevy & Toyota, Ford & Suzuki, Jeep, Rover and more.

We are very excited about these wheels. They are truly unique and promise to be extremely popular!
